

ITCHY LEMON

Melodic electronic music with deep groove, emotional tension and underground club energy.

PORTUGUESE DJ & ELECTRONIC MUSIC PRODUCER

SHORT BIO

Itchy Lemon is a Portuguese DJ and electronic music producer with a sound shaped by melodic tension, deep groove and underground club energy.

Active since 2012, the project has developed through original releases, remixes, DJ sets, guest mixes and selected appearances across different electronic music scenes.

Rooted in melodic house, deep grooves and progressive electronic textures, Itchy Lemon moves between introspection and dancefloor energy - built with atmosphere, rhythm and emotional progression at its core.
